EDUCATION

B.S. Computer Science, Minor in Mathematics

Expected June 2027

University of California, Santa Cruz, GPA: 3.64, Dean's Honor List: Winter 2024, Spring 2025

Sept. 2023 - Present

Relevant Coursework: Data Structures & Algorithms, Machine Learning Basics, Artificial Intelligence, Large Language Models, Natural Language Processing, Neural Networks, Software Engineering, Computer Systems & C Programming, Computer Architecture, Vector Calculus

PROJECTS & EXPERIENCE

HabiMatch – Roommate Matching Platform

TypeScript, Supabase, React Native, Twilio

Full-Stack Engineer

June 2026

- Developed a cross-platform mobile application that matches students with compatible roommates using profile-based swiping and preference filtering.
- Built and integrated Supabase authentication, database, and real-time messaging features to support user accounts and communication.

Slang Translator Language Model

Python

Full-Stack Engineer

June 2026

- Built and evaluated two slang translation systems: a fine-tuned T5 model and an agentic RAG pipeline using OpenAI APIs and ChromaDB.
- Developed a full-stack FastAPI/React application with retrieval-based slang lookup, translation workflows, and side-by-side model comparison.

Http Server

C

Independent Developer

Dec. 2025

- Developed a custom HTTP server in C to parse, route, and respond to client requests.
- Handled malformed requests with proper HTTP status codes, improving robustness and protocol compliance.

Unix Style Shell

C

Independent Developer

Sept. 2025

- Built a Unix-style shell in C to parse commands and execute processes.
- Implemented piping and I/O redirection using file descriptors for flexible command execution.

TECHNICAL SKILLS

- Programming Languages: Python, HTML, C, C++, LaTeX, Haskell, SQL
- Data Structures & Algorithms, Computer Architecture, Object-Oriented Programming, AI, LLM, Supabase
- Certifications: Artificial Intelligence Fundamentals

CERTIFICATIONS

- IBM Artificial Intelligence Fundamentals Certificate** – IBM & SkillUp via Credly July 2026
- Cisco Introduction to Cybersecurity** – Cisco Networking Academy Aug 2026

WORK EXPERIENCE

High School Tutor

San Jose, CA

Private Tutor

June 2022 – June 2023

- Delivered personalized instruction in mathematics, science, and programming to high school students, improving problem-solving skills and academic confidence.

AWARDS & HONORS

- Eagle Scout Award, Boy Scouts of America
- Silver Palm, awarded for continued service and merit beyond Eagle Scout
